THE COMMONWEALTH.

END GAME QUIETLY.

The Kentucky Legislature Adjourned

Sine Die at Midnight.

Frankfort, March 18.—Senate.—The Kentucky legislature has adjourned sine die. The end came quietly and peacefully shortly before the "witching hours of midnight." The senate Tuesday passed the bill appropriating \$25,000 for a monument to the Kentucky soldiers under Gen. Green Clay who were killed near Fort Meigs, in Ohio, in 1813. House amendments to the county general warrant bill were concurred in, and the bill passed as amended. The house bill to allow a deputy clerk to practice as an attorney in courts other than that in which he is a deputy was defeated. The house amendments to the bill making more specific the fees of county and circuit clerks were concurred in. The house bill to punish any one who draws or furnishes a pistol or other deadly weapon in a passenger coach or train, passed.

House.—This passed: Senate bill appropriating \$400 for repairing the monument over President Zachary Taylor's grave in Jefferson; senate bill, which originally appropriated \$75,000 for the A. and M. college, but which was so amended as to provide only \$25,000; senate bill, which appropriates \$15,000 annually in addition to the present annuity for regular expenses of the A. and M. college; senate bill, providing for the collection of revenues in Beckham county, just as in other counties of this state; senate bill, appropriating \$15,000 for the Eastern asylum. The original bill provided for \$12,000; senate bill, prohibiting the selling of liquor at wholesale in local option districts.

CONTRACTOR J. W. BESS.

Twice Doomed For the Murder of Mrs. Martha Martin.

Lexington, Ky., March 16.—The jury in the case of J. W. Bess, the local contractor charged with the murder of Mrs. Martha Martin in this city a year ago, Tuesday afternoon rendered a verdict of guilty and assessed his punishment at death. This was the second trial, the death penalty having been imposed in the first trial.

In presenting its side of the case the commonwealth introduced an expert from the defendant to Mrs. Mary Porter, of this city, threatening her son with a criminal prosecution unless he would testify that he saw Mrs. Martin, the murdered woman, at the home of a Negro woman with a stranger the night before the murder. The other testimony was that of the defense, announced that it would offer no testimony, and refused to place the defendant on the stand. After the verdict had been read and Bess taken back to jail he roared and swore at his attorneys and alleged that they brought the case by not permitting him to testify.

Against the Divorce Evil.

Paducah, Ky., March 16.—At the meeting of the Ministerial association a resolution on the subject of divorce was adopted, and a pulpit crusade will probably be waged against divorce. The resolution will not be given for publication until next week, but it is said to contain a strong statement of the divorce evil as it exists locally, with facts and figures to back up the charges.

Ended His Life With a Bullet.

Louisville, Ky., March 16.—Hugh Higgins, a popular young man, son of William Higgins, editor of the Irish-American, was found dead with a bullet in his brain at the office of the Irish-American Tuesday morning. Lexington, Ky., March 16.—Entries of foals of last year for the 1905 and 1907 Kentucky Futurity, now worth about \$22,000, closed Tuesday night. Secretary Wilson has received 600 entries so far and expects many more by mail in the next few days.

A Costly Residence.

Shelbyville, Ky., March 16.—Messrs. L. H. Gruber & Sons, contractors, have signed a contract to build a \$25,000 residence on the Merriweather farm for J. W. Henning, of New York.

They Couldn't Agree.

Hartford, Ky., March 16.—The jury in the case of J. W. Boatner, charged with receiving embezzled money, after being out 24 hours failed to agree and were discharged. The trial grew out of the celebrated Fordville express robbery two years ago.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, you must eat what is digested, assimilated and appropriated by the nerves, blood and tissues. KODOL DRY-PAPKA CURE adds to the physical. It gives strength to and builds up the system in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength giving qualities. Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their teens are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

CORONER IS NOT SATISFIED.

A Divorced Wife Dies From a Pistol Shot Wound in Louisville.

Louisville, Ky., March 18.—While her mother was downstairs to answer a supposed knock at the door, Miss Grace Gray, a well-known society girl, was shot through the head and died before physicians could be summoned. The family say the shooting was an accident and that Miss Gray knocked the pistol from the mantel in dusting the room. While the coroner gave a verdict of accidental death, he said circumstances pointed to suicide. Two years ago the girl was found in her room nearly dead from escaping gas. She eloped to Cincinnati four years ago and married E. H. Demoss, from whom she was divorced two years afterward.

DIED FROM A FALL.

He Had Engaged in a Scuffle With Another Asylum Inmate.

Lexington, Ky., March 18.—It came to light that the death of Silas Cliff two weeks ago at the Eastern insane asylum was the result of a broken hip, sustained in a scuffle with another inmate of the institution. Cliff was 52 years of age and was brought here from Mary's Lake, where he had been cared for by his aged wife. She fell and fractured her hip and could no longer attend to Cliff, and he was placed in the asylum. It is not known whether the coroner will hold an inquest or not.
